HISPA ROLE MODEL PROGRAM KICK-OFF AND RECRUITING EVENT

Who We Are

HISPA is a nonprofit organization that **inspires students to discover their potential and ignite their desire to embrace education and achieve success.**

HISPA was established in **New Jersey** in 2007. We expanded to San Antonio, **Texas**, in 2011, **New York** in 2013, **Florida** in 2015, and Norristown, **Pennsylvania**, in 2019.

HISPA has **mobilized 3,500 professionals** from the corporate, academic, and government sectors to serve as positive role models. Through HISPA's educational programs, Role Models share their stories to **increase students' awareness of and interest in pursuing college and high-skill careers.**

In 2020, HISPA was awarded the Presidential Award for Excellence in Science, Mathematics and Engineering Mentoring, **the highest national STEM mentoring award** bestowed by the White House.

What We Do

HISPA Role Model Program: HISPA Role Models visit students' classrooms during the school day to share their stories and showcase pathways to higher education and successful careers. This year, HISPA is working with 40 schools in NJ, FL, TX, PA, and NY.

HISPA Imagine Day: Students visit HISPA Role Models' workplaces, exploring career options first-hand while immersed in a professional business setting.

HISPA Youth Conference: Students visit a college campus for interactive STEM workshops and inspirational speakers. HISPA Role Models lead hands-on activities and panels for students and teachers.
